In para 1 of G.O.896 P.H. dated 17-4-1928 the Govt. ordered that the savings accruing to a Municipal Council on account of the provincialisation of its hospital should be utilised for installing a water supply or drainage scheme in the town.

2. In the case of the Hospet Municipality, the saving due to the provincialisation of the Municipal hospital amounts to about Rs 5000 a year. As there is no immediate prospect of utilising the above saving on a water supply or drainage scheme, the Govt. permitted the Municipal Council to utilise the saving on anti-malarial works during 1928-29 and 1930-31.

Mon p. 13958 1579 PH (I) 24.6.29

see para 1 on p.25 of G 2324 M (R) 20130 + p.1 CF

3. As regards the year 1929-30, no specific sanction for utilising the saving on anti-malarial works was accorded by Govt. although the Municipal Council had asked for it. The Chairman has again asked for specific sanction of Govt. and L.S.G. propose to accord it now.

p 21956 at (R) pp 1-2 CF. see draft order p. 3 CF

4. The Resolution of the Hospet Municipal Council dated 12-12-1929 relates to the expenditure in 1929-3 As the year is over, the expenditure would have alread been incurred (the actual amount is not known). All that is now necessary is to ratify the action of the Municipal Council in having incurred the expenditure from the savings accruing to it on account of the provincialisation of its hospital.
